

**True-Living: “Impossible” Should Be Removed
From Your Mind**

By Mary Ann Pack

*“A negative mind will never give you a positive life.”
~Anonymous*

The absolute best book on wealth creation in every area of your life is Napoleon Hill’s book, Think and Grow Rich. Dr. Hill was commissioned by Andrew Carnegie to study the 500 wealthiest people in the world for 25 years and compiled their common traits and characteristics. He studied how they thought, how they created their wealth, many times beginning from severe poverty. He published his findings and set down a code for creating wealth in the early 1900’s.

His book is still the most sought after book ever written even nearly 100 years after its first publication!

This is a book every person should own, study and apply to create the very best life possible. Bob Proctor has studied this book for over 50 years and he says that each time he reads it he learns something new—not because something new was added, but because HE is different and his eyes are opened to new ideas each time.

It begins with mindset. Mindset is an art. It is your choice!

Here's a quote from Napoleon Hill's book, Think and Grow Rich, Chapter 1:

"One of the main weaknesses of mankind is the average man's familiarity with the word 'impossible.' He knows all the rules which will NOT work. He knows all the things which CANNOT be done. This book was written for those who seek the rules which have made others successful, and are willing to stake everything on those rules.

A great many years ago I purchased a fine dictionary. The first thing I did with it was to turn to the word 'impossible,' and neatly clip it out of the book. That would not be an unwise thing for you to do.

Success comes to those who become SUCCESS CONSCIOUS.

Failure comes to those who indifferently allow themselves to become FAILURE CONSCIOUS.

The object of this book is to help all who seek it, to learn the art of changing their minds from FAILURE CONSCIOUSNESS to SUCCESS CONSCIOUSNESS."

Which mindset do you have? Which mindset do you want?

Awesome suggestion--take the word "impossible" OUT of your vocabulary!!
